HOLOMORPHE

Think about Stanley Meyer's water electrolyser !

Business execution day after day per month

Days 1 to 7 - Development

Optimization of the mechanical parts of the Stanley Meyer's water electrolyzer
Optimization of the electronic circuit of the Stanley Meyer's water electrolyzer
Software development for internal purposes
Software development for monetization
Digital testing of the Stanley Meyer's water electrolyzer
Physical testing of the Stanley Meyer's water electrolyzer
Research and developement

Days 8 to 14 - Accounting

Accounting (V.A.T., Corporation tax, Land tax ...)
Mandatory administrative declarations (D.G.F.I.P., URSSAF, Net-Entreprises, Douanes ...)
Invoicings (Customers, Partners ...)
Payments (Wages, Suppliers, Public administrations, Banks ...)
Meetings for contracts and rules (Teams, Suppliers, Customers, Partners, Public administrations, Investors ...)

Days 15 to 21 - Marketing

Global marketing (Energy market analysis, Global economy analysis, Competitors analysis ...)
Customers, Partners, Suppliers, Investors, Public administrations relationship marketing (Phone call, Emailing, Physical meeting, Video conference ...)
Event marketing (Virtual exhibition of the Stanley Meyer's water electrolyser, Physical exhibition of the Stanley Meyer's water electrolyser, Participation in energy, environment, social, finance, marketing, management, computing fairs ...)

Days 22 to 31 - Management

Team management (Plannings, Meetings, Feedbacks ...)
Human resources management (Recruitment, Resource allocation, Vocational training ...)
Collaborative management (Plannings, meetings and feedbacks with the teams, the partners, the customers, the suppliers, the pulic administrations and the investors)
Product management (Product inventory, Inventory of resources, Inventory of industrial tools ...)
Quality management (Mechanical tests, Measurement tests, Functional tests ...)
Operations management (Inventory management, Supply management, Assembly chain, Test of functioning of Stanley Meyer's water electrolysers before deploying them at gas production sites, Deployment of Stanley Meyer's water electrolysers at gas production sites ...)
Knowledge and innovation management (Searching for public patents on Google Patent, Selecting some interesting inventions from public patents, Listing mathematics physics and chemistry theories, Technology watch ...)
